

WHY **RECALL** CHAIRMAN JOHN **STOESSER** ?

Violates State Statutes

Fails fiduciary obligations to pay bills, Wis SS# 60.33(5); 946.12(1)
Oversteps authority for choosing election officials, Wis SS# 60.24(3)(a)(4)
Misrepresents board to vendors/contractors, Wis SS# 60.24(1)(f); 946.12 (2)
Censors agenda submissions by board supervisors, Wis SS# 60.24(1)(e)(1)

Weak Leadership

Verbally abuses and tries to manipulate town employees
Lacks understanding of town budget, e.g., merging designated funds
Seldom votes on important town issues
Ignores standard meeting protocols to restrict board participation
Limits public participation on town issues with private meetings

Opinionated Communications

Published slanderous remarks during 2009 election campaign
Inflated undeliverable promises during 2009 election campaign
Distorts town issues with personal and often inaccurate opinions
Confuses citizens's rights to authorize tax levy with board's responsibilities
Breached employee contract protocols when privately seeking lower wages

Fiction By Chairman Stoesser

Claims that Town Supervisors, with combined experience of 28 years in town government are, "Not following the will of the People", when they are!

Blames individual board members for spending money that doesn't exist while avoiding responsibility as town chairman in budget decisions.

Note: Under town government, Wis. SS# 60.10(2)(a), all local taxes are approved by town citizens at the annual budget meeting

Claims government transparency while holding secret meetings and promoting hoaxes such as Miramar subdivision improvements.
